Eterna®

División Industria

Cumplimos seis décadas de experiencia en la producción y comercialización de productos y servicios extraordinarios, respondiendo ágil y efectivamente a las necesidades del mercado.

Ofrecemos soluciones innovadoras en empaques macizos, flocados, coextruidos, esponjas y accesorios para el mercado de la industria automotriz.

Nuestra experiencia en el diseño, desarrollo y comercialización de productos e insumos derivados del caucho y plástico, nos ha permitido posicionarnos como un ALIADO CONFIABLE para nuestros clientes en Colombia, Perú, Ecuador, Venezuela, Panamá entre otros.

En Eterna S.A. contamos con el más completo equipo técnico multidisciplinario de ingenieros químicos, industriales, mecánicos, matriceros y operarios quienes dan soporte y respaldo a todos los desarrollos de nuestra compañía; además, contamos con herramientas de última generación como: equipos de medición, laboratorio y software de diseño permitiéndonos ofrecer al mercado productos fabricados bajo estándares de calidad certificados con las normas ISO 9001 e ISO 14001.
